## **PUBLIC HEARINGS:**

**A. Master Case No. 15-002 - Climate Action Plan - A request to open the hearing to hear legal analysis; and a request to continue the item to May 17, 2016 (Continued from November 17, 2015).**

Catherine Lin, Associate Planner, provided the staff report

Ms. Michelle Ouellette of Best, Best & Krieger, City Attorney's Office, provided a legal analysis regarding the Draft Climate Action Plan.

Discussion was held on the analysis of making the Climate Action Plan part of the General Plan Update.

Discussion was held on the Climate Action Plan not being required by law.

Discussion was held on requiring a greenhouse gas assessment for each project.

Discussion was held on projects in the pipeline that have not had CEQA process analyzed.

Discussion was held on the Climate Action Plan providing a solid foundation to the analysis.

Discussion was held on the General Plan Update and a CEQA document being two different things.

Discussion was held on the Climate Action Plan providing a standardized framework.

Discussion was held on what cost goes to developer.

Discussion was held on whether or not the City standards already exceeding state requirements.

Discussion was held on how the Climate Action Plan would streamline the development process.

Discussion was held on the difficulty of a negative declaration without a Climate Action Plan.

Discussion was held on any increase or decrease in associated costs with a Climate Action Plan.

The Public Hearing was opened.

Kathy Ponce spoke on CEQA being waved when a high density unit is near a transportation base; 51% of the CAP is about transportation; cities that do not have a Climate Action Plan; cities that have alternates to a Climate Action Plan; money paid to

SCAG and SANBAG; and the City already meeting state requirements. She thanked the City for issuing the letter that her questions are going to be looked at; and she hopes all questions are answered. She is discouraged on how the City is handling the Climate Action Plan and shared how Rancho Cucamonga is handling their meetings.

Vice Chairperson Meyer shared that a letter was received from Mr. Titus.

Matt Slowik spoke on working with Michelle Ouellette. He asked if an EIR is performed that covers Greenhouse Gas in the current General Plan Update, would the EIR recommend measures necessary to mitigate Greenhouse Gas. He spoke on the City considering alternatives to the Climate Action Plan since it is not legally required. He asked if the City has a General Plan Amendment that includes an EIR report analysis of Greenhouse Gas that established mitigation measures, can the City tier off of that in lieu of a Climate Action Plan. He asked if the cost to developers for having an EIR or CEQA analysis would change under the Climate Action Plan. He spoke on there being positives and negatives to a Climate Action Plan. He spoke on potential alternatives better suited to the City of Fontana. He spoke on large scale projects versus small scale projects.

The Public Hearing was closed.

Discussion was held on tiering off of the General Plan Update instead of a Climate Action Plan.

Discussion was held on the mitigation measures of smaller projects versus larger projects.

Discussion was held on the Climate Action Plan being a part of the General Plan Update.

Discussion was held on the expense of the Climate Action Plan; no more will be spent to adopt the Climate Action Plan.

Discussion was held the General Plan lasting 20 years.

Discussion was held on Greenhouse Gas being reduced to 1990 levels by 2030.

Discussion was held on not spending any more money if we are not moving forward with this plan.

Discussion was held on monitoring the Climate Action Plan.

Discussion was held on the benefits of a Climate Action Plan besides the grants.

Staff clarified that one project was used as a sample and it exceeded state standards, but to say the City already exceeds the requirements on all projects may not be not an accurate statement.

Discussion was held on a cost savings analysis if we do or do not accept the Climate Action Plan. Staff has previously provided this information and will present it again on May 17, 2016.

Discussion was held on staff providing a cost savings of not having a Climate Action Plan versus having a Climate Action Plan.

Discussion was held on staff providing information from other cities that are not adopting a Climate Action Plan and those that have approved a Climate Action Plan and what they have done.

Staff will return with more information at the May 17, 2016, Planning Commission meeting.

Discussion was held on the percentage of the Climate Action Plan is related to development.

Commissioner Gongora requested information on the grants.

Discussion was held on backing out of the Climate Action Plan once it is adopted.

**ACTION:** Motion was made by Vice Chairperson Meyer and seconded by Commissioner Gongora to continue this item to the June 7, 2016, Planning Commission Meeting with direction to staff to return with previously provided information and answers to questions posed this evening. Motion passed by a vote of 5-0.
