PUBLIC HEARINGS:

A. Master Case No. 19-028; Administrative Site Plan No. 19-015; Conditional Use Permit No. 19-010 - The Administrative Site Plan is a request for site and architectural review of a 7,851 square foot pad building for tire sales and installation on an approximately 31,145 square foot parcel within a multi-tenant commercial center in the Empire Center Specific Plan; the Conditional Use Permit No. 19-010 is a request to allow the use of the property for a tire sales and installation.

Planning Manager Orlando Hernandez provided the staff report.

Discussion was held on why it is being changed from a restaurant to a tire store.

Discussion was held on previous plans to split the existing building into multiple tenants.

Discussion was held on what staff has done to entice restaurants to the area.

Discussion was held on potential tenants on the property.

Commissioner Fort confirmed that she was prepared for this item.

The Public Hearing was opened.

Speaking for the applicant, Reid Kunishige spoke on the study done to select the location of the project.

Applicant has read, understood and agreed to the conditions of approval.

Commissioner Sanchez spoke on wanting sit down restaurants in Fontana.

Commissioner Quiroga spoke on wanting sit down restaurants in Fontana and not to tear one down to build something else.

Discussion was held on how long the building was vacant.

Discussion was held on who was responsible for "way finding" signs.

Discussion was held on what can be done to entice development of sit-down restaurants.

Director AbuBakar spoke on the loss of redevelopment funds taking away the ability for the city to be creative to attract that type of businesses.

Discussion was held on other sit-down locations available in the south.

Discussion was held on how many restaurants have been interested in developing on the property.

Commissioner Sanchez spoke on wanting to entice more restaurants like Rialto did to get those businesses here.

Manager Hernandez spoke on the item being presented tonight is a discretionary item that the Planning Commission can grant or make findings for denial and staff also pushing for developers to bring sit-down restaurants. Staff will take back the Commission's comments to hold discussions with the City Council for further action.

Chairperson Quiroga spoke on this item being a prime spot and more people moving through there than before.

Director AbuBakar reminded the Commission that the item being presented is a CUP for a tire shop.

Chairperson Quiroga spoke on tearing a sit-down down to build something else.

Commissioner Fort asked what can be done to incentivize more sit-down restaurants.

Attorney Otto reminded the Commission that this item is for a CUP and not a discussion on whether to have restaurants or incentivizing restaurants and should be brought back to the item to avoid violating the Brown Act; the Commission needs to look at the application before them and determining whether it meets the nature of the code and the findings of the Conditional Use Permit.

Commissioner Sanchez disagreed with Attorney Otto and encouraged the conversation to know in which direction the Commission wants to go.

Attorney Otto clarified that incentivizing restaurants is not on the agenda and the conversation on that topic should be limited.

Commissioner Garcia spoke on the building being vacant for 15 years and bringing new business and enhancing the area would be good for the area; although she agrees to more sit downs, it hasn't happened in 15 years.

Commissioner Quiroga is concerned that nothing has been done to entice developers.

Discussion was held on "appropriate and desirable development".

Director AbuBakar spoke restaurant incentives and that the policies will need to come from the council and maybe there is an opportunity to agendize the matter for discussion with the city council.

Discussion was held on the applicant's rights if this project is not approved tonight.

Discussion was held on the Commission's possible actions on this item.

No member of the audience spoke in favor or opposition.

The Public Hearing was closed.

ACTION: Motion was made by Commissioner Garcia and seconded by Commissioner Fort to adopt **Resolution No. PC 2019-052**; 1) Determine that the project qualifies for a Categorical Exemption pursuant to Section No. 15332, (Class No. 32, In-Fill Development Project) of the California Environmental Quality Act (CEQA) and Section No. 3.22 of the 2019 Local Guidelines for Implementing CEQA and direct staff to file a Notice of Exemption; 2) Approve Administrative Site Plan No. 19-015; and, 3) Approve Conditional Use Permit No. 19-010. The building height varies between 41-foot to 45 foot; the Conditional Use Permit is a request to operate an Industrial Repair facility which will manufacture like-new tire by replacing the tread.

Associate Planner Jon S. Dille provided the staff report.

Discussion was held on the east elevation.

Discussion was held on the color palette.

The Public Hearing was opened.

Speaking for the applicant, Chris Savage spoke on two items that were mistakenly placed in the Conditions of approval that do not apply to this project - Condition No. 16 regarding the sewer and Condition No. 19 regarding hazardous materials.

Applicant has read, understood and agreed to the conditions of approval.
Condition No.16 will be stricken.

Condition No. 19 is a standard condition that only applies if the tenant is handling hazardous waste.

The applicant agreed to work with staff on changing the color palette.

Director AbuBakar will work with the applicant to ensure the color scheme is enhanced.

No member of the audience spoke in favor or opposition.
