Discussion was held on this request opening the project up for other improvements.

Discussion was held on shared costs and placement of the block wall.

Discussion was held on adding a condition to build the block wall when the neighbor agrees to share costs.

Attorney Otto spoke on being cautious while talking about conditions on an Accessory Dwelling Unit because the law is very supportive of Accessory Dwelling Units; without standards in code regarding Accessory Dwelling Units, the Commission will have to look at the findings and determine if the condition to build a wall is necessary to impose.

Discussion was held on the purpose of having a block wall to the front of the historical property.

Discussion was held on how the block wall keeps the integrity of the historical building.

Discussion was held on the existing garage going up to property boundary line and a block wall would not align the garage.

The applicant spoke on the block wall having nothing to do with the historical building; if it

was, he would have to match any new wall. The applicant also spoke on other properties only having chain link fences and all of the other neighbors already have Accessory Dwelling Units in their back yards.

Discussion was held on other neighbors having Accessory Dwelling Units.

Director AbuBakar spoke on the issue before the Commission being: if the improvement is consistent with the architecture; and the wall not being part of the historical significance of the property.

Discussion was held on not making rules that make it difficult and expensive as to prohibit building.

Matt Slowik spoke on Historical Society recommendations to establish clear local city standards for historical sites.

The Public Hearing was closed.

Attorney Otto spoke on the Commission's desire to require the wall based on retaining the essential elements of the historic resource and suggested having staff adjust Finding No. 3 to add a condition to require the block wall.

Discussion was held on the wall not being able to go to the front of property line due to setbacks.

Discussion was held on the wall having to follow the time frame of the house.

ACTION: Motion was made by Commissioner Sanchez and seconded by Commissioner Quiroga to adopt **Resolution PC No. 2019-065**; and forward a recommendation to the City Council to 1) Determine that the project is Categorically Exempt pursuant to Sections 15303 (Class No. 3 New Construction) and 15332 (Class No. 32 Infill) of the CEQA and Section No. 3.22 of the 2019 Local Guidelines for implementing CEQA, and direct staff to file a Notice of Exemption; and, 2) Approve Certificate of Appropriateness (MIS No. 19-012) with an added condition for the applicant to work with staff on ensuring the existing block wall and the addition of a wall on the north side of the property is of the era of the historical building. Motion passed by a vote of 3-2-0. (AYES: Quiroga, Sangha, Sanchez; NOES: Fort, Garcia; ABSTAIN: None.)
