C. WORKSHOP

1. Discussion and possible direction to staff regarding the Beech Interchange

City Manager Hunt presented the Beech Interchange project phases and related costs. Mr. Hunt stated that the City has drafted an agreement with CALTRANS to work on the Beech Interchange project. The agreement commits the City to funding the project. The Project Study Report (PSR) was completed in March 2009. Mr. Hunt provided cost estimates for the project phases: \$5 million to complete the environmental; \$40 million for Right-of-Way (ROW) and \$100 million for construction.

Discussion ensued regarding environmental, right of way and construction costs; project time frame and funding sources.

2. Discussion and possible direction to staff regarding Challenge Fields

City Manager Hunt referred to the Challenge Field handout and summarized key points related to the creation of challenge fields. Mr. Hunt stated that a challenge field is a rubberized field specially designed for special needs children to play sports on. Challenge fields provide an opportunity for people with disability to participate in

organized sports. Staff has identified Field No. 5 in Jack Bulik Park for the proposed conversion to a challenge field. The estimated cost to convert it to a challenge field would be \$500,000. The project duration would be 8-9 months.

Discussion ensued regarding: project location, project cost (building a new challenge field versus converting an existing field into a challenge field); project duration; funding sources (grants, costs sharing with surrounding cities, school districts and county); special needs population and usage statistics; current sports programming for special needs population; input from residents and sports leagues.

3. Discussion and possible direction to staff regarding Baseball Infields (Dirt vs. Grass)

Director of Public Works Chuck Hays presented the Grass Infield concept and stated that his staff in conjunction with Community Services recreation staff reviewed current field inventory, analyzed, researched and identified five possible parks for the proposed grass infields. Mr. Hays stated that senior fields would be the best for grass infields and suggested one grass infield in each of the following parks: Bill Martin Park-Field No. 5; Coyote Canyon Park-Field No. 3; Jack Bulik Park -Field No. 7; Veterans Park-Field No. 1; and Village Park-Field No. 4. Total estimated cost for one grass infield would be \$27,000 per field and \$1,000 annually for maintenance.

Director of Community Services Garth Nelson presented the benefits of grass infield versus dirt fields.

Discussion ensued regarding proposed grass infield locations, project cost, dirt vs. grass infields, benefits, versatility, usage, scheduling, and partnering with school districts. Mayor Warren suggested getting input from residents and leagues regarding the proposed grass infields.

Mayor Warren and City Council recommended that staff get input from the leagues; future new fields to be grass infields; and the city to obtain a cooperative agreement with the school districts.

To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of your DocuSign account. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system.
