City of Fontana
8353 Sierra Avenue Fontana, CA 92335
October 26, 2021

Dear Mayor and Council:

My name is Monica Soto.
Thank you for the opportunity to provide input in the redistricting process.

The city of Fontana currently has over 200,000 residents, making it one of the most populated cities in San Bernardino County. Therefore we strongly believe that in a city so large as this one, 4 districts is woefully insufficient to provide equitable representation and address all the concerns of the constituents.

In 2017 the community gathered with many residents and came to the consensus that 7 districts was the appropriate number of representatives the city should have in order to provide equitable and proportionate representation that would make sure that every resident of Fontana's voices are heard.

The Fontana community also needs city staff and all involved in the redistricting process to conduct workshops or working meetings in different areas of the city for the community to be involved in the process. A council meeting hearing of one hour is not enough for the community to provide feedback and or recommendations.

Respectfully,

Derek S. Sweem
