SIGN CRITERIA

SIERRA LAKES VILLAGE SHOPPING CENTER

FONTANA, CALIFORNIA

**LEWIS RETAIL CENTERS
A MEMBER OF THE LEWIS GROUP OF COMPANIES
1156 N. MOUNTAIN AVENUE
UPLAND, CALIFORNIA 91785**

3.28.06 (City Approved)

I. GENERAL INFORMATION:

The intent of this sign criteria is to provide the guidelines to achieve a visually coordinated, balanced and appealing sign environment, harmonious with the architecture of the project, while maintaining provisions for individual graphic expression.

The sign regulations herein have been established for the purpose of achieving the best possible effect for store identification, while allowing each Tenant creativity within the limit of their leasehold.

II. APPROVALS

- A. It is a mandatory requirement that the design and construction of Tenant's exterior signs receive written approval by Lewis Retail Centers prior to fabrication and installation. For purpose of the document "Lewis Retail Centers" will from hereon be known as "Landlord".

Landlord's approval shall be based on:

1. Conformity to the sign criteria established for the center, including the fabrication and method of installation.
2. Final approval upon viewing of final sign installed, making sure plans submitted and approved were followed.
3. Landlord has the specific right to refuse approval of any sign design which does not conform to this specific criteria.

- B. To secure Landlord's approval, Tenant agrees to conform to the following procedures:

1. Three (3) copies of the detailed sign design. One to be in full color of the proposed sign or signs, submitted to Landlord.
2. The detailed sign design shall be submitted on sheets of 11" x 17"
3. Submit copies to:

Lewis Retail Centers
1156 N. Mountain Avenue
P.O. Box 670
Upland, California 91785
Attn: Manager, Tenant Improvements

- C. All sign designs and specifications are to be prepared by a reputable licensed sign contractor. The sign drawings must indicate the following information:

1. A scaled leasehold/storefront drawing illustrating the proposed sign design and all dimensions, as it relates to the leasehold/storefront elevation including side or rear elevations. The drawings are to include all exterior or window signs being requested for store usage.
2. A plot plan and elevation indicating the exact location of each Tenant's sign as it relates to the building.

3. A detailed letter through cross section of the sign and building fascia to show its construction and method of attachment.
 4. All aluminum, Plexiglas colors, paint finish colors with color swatch and material specifications.
 5. Neon tubing sizes, color, intensity and transformer size.
- D. All drawings marked “Disapproved” or “Revise and Resubmit” must be changed as noted and resubmitted to Landlord as specified in section “II. APPROVALS, “B”, “1”. Drawings marked with “Approved as Noted”; do not require resubmittal as long as all required revisions are made.

Tenant or tenant’s sign contractor will not be permitted to commence installation of any exterior sign, unless the following conditions are met upon Landlord’s approval:

1. No sign shall be installed until a design review Sign Application as approved by the City of Fontana Planning Department and permits from the City of Fontana Building and Safety Department have been secured by the sign contractor
2. A “Permitted” stamped set of the final sign drawings are retained on Tenant’s premises at all times during the installation of sign or signs, until a City Inspector has signed off on and approved final inspection.

Size/Area: Maximum height of signs is two feet (2'-0") for a single line sign and two feet six inches (2'-6") for a double line sign. Tenant shall not exceed 70% of the leasehold width for each elevation. If a tenant has a nationally recognized logo or layout that cannot be modified and cannot meet the height restriction, the sign can exceed the height restrictions up to a maximum overall height of five feet (5'-0") but must be approved by the Landlord and the City of Fontana. Height and size must be in scale with the architecture of the building and all signage must be reviewed and approved by the Landlord and City of Fontana.

Location: Landlord shall reasonably approve location of tenant sign which shall be in keeping with the architectural design of the building.

SIGN SPECIFICATIONS

1. Signs shall be limited to store name, Federal or State registered name or logo. Established trade marks or registered trade mark signage shall be permitted providing the signs conform to the criteria described herein.
2. In the event the Tenant does not have an established exterior sign identity, the Landlord recommends the Tenant establish an acceptable letter style.
3. All letters shall be aluminum channel letters with face colors and type styles subject to Landlord's approval.
4. Logo cabinet plaques used in conjunction with individual letters will be considered a part of the sign area and are subject to Landlord's approval.
5. The Tenant shall pay for all signs, their installation, including final connection, and maintenance. Tenant's sign contractor must file and obtain any licenses, permits and variances as required for sign installation by the City of Fontana. A copy of the sign permit to be supplied to Landlord for their file.
6. Each Tenant or their sign contractor shall be responsible for the repair of any damage to the building caused by the installation of said Tenant's sign. Only State licensed and insured sign

contractors shall perform sign manufacturing and installations. The sign contractor to supply Landlord with a copy of their State License and Workmen's Compensation Insurance.

7. Each Tenant shall be responsible for the performance of its sign contractor.
8. Tenant shall be responsible for removal of said sign within thirty (30) days after vacating the site. Removal of the sign shall include the repair and restoration of the wall surface back to the original condition and must undergo final inspection by Landlord.
9. Each Tenant shall be responsible for keeping all their signage or graphics on its premises in good working order. Landlord shall inform Tenant, in writing, of non-acceptable conditions, if lighting is out or if the sign is in poor visual condition. Repairs shall be made by Tenant within thirty (30) days from receipt of such written notice.
10. Tenant shall also install vinyl lettering on their storefront showing the hours of operation, emergency contact numbers, etc. Maximum area shall be 2'-0" x 2'-0". Vinyl lettering shall be white in color. Content and font shall must be reviewed and approved by Landlord.

A. FABRICATION AND INSTALLATION OF ILLUMINATED CHANNEL LETTERS

The fabrication and installation of all signs shall be subject to the following restrictions:

1. All channel letters are to be fabricated from .050 to .125 aluminum. Letters must be fabricated of aluminum with aluminum backs. No stapled letters shall be allowed. Five (5) inch deep letter returns shall be primed and painted with an automotive enamel, a minimum of two (2) coats, semi-gloss dark bronze, unless color is approved by Landlord. Interior of letter to be primed and painted a reflective white to assist with even lighting.
2. Letter faces shall be a minimum of 1/8" thick, translucent Plexiglas. Colors are subject to Landlord approval.
3. Retainer trim cap shall be 3/4" dark bronze trim cap edge, unless otherwise approved by Landlord. All tenant colors are subject to Landlord approval

4. All channel letters to be illuminated with neon tubing with a 30 ma. Transformer. Neon tube size and color to be determined by channel letter face color. P.K. or Hage housings or other UL approved connectors may be used for all neon tube systems. All channel letters shall be UL labeled. LED illumination is allowed if desired by the tenant.
5. All channel letters shall be secured by concealed fasteners, stainless steel or nickel cadmium plated.
6. No exposed neon, incandescent or fluorescent lamps will be permitted unless approved by the Landlord and the City of Fontana.
7. All penetrations of the building structure required for sign installation shall be sealed to a water tight condition.
8. No sign company labels will be permitted on the exposed surfaces of signs, except what is required by the City of Fontana.
9. All channel letters must have a 3/16" diameter drain hole at the bottom of each channel letter or plaque, if illuminated.
10. All signs shall be fabricated and installed with UL approval in compliance with all applicable building and electrical codes. UL sticker shall be placed in an inconspicuous location on letters.
11. All signs shall conceal all necessary wiring, transformers, ballasts, starters and other necessary equipment within their individual letters or behind wall.

B. NON-CONFORMANCE

1. No field installation changes are permitted without first notifying Landlord in writing. If in the event any sign is changed as to placement or location, which differs from the plan, the Tenant's sign contractor will be responsible to remove and relocate sign to proper placement at the sign company's expense. The sign company will also repair fascia from where the sign was moved.
2. Any sign that is installed by Tenant which is not in conformance of approved drawings shall be corrected by Tenant within fifteen (15) days after written notice by Landlord. In the event Tenant's sign is not brought into compliance within said fifteen (15) day period,

Location: Landlord shall reasonably approve location of tenant signs which shall be in keeping with the architectural design of the building.

2. DRUG STORE TENANT (Walgreens)

Quantity: Tenant shall be allowed one (1) primary internally illuminated channel letter sign on each of two (2) elevations. Tenant shall also be allowed four (4) secondary signs as well as directional signage related to the drive through. Tenant shall also be allowed to install their prototypical "Mortar and Pestle" sign within the corner tower structure.

Size: Tenant sign shall have a maximum overall height of 4'-4". Secondary signs shall be allowed with a maximum channel letter size of 1'-6" high. No more than four (4) secondary signs.

Location: Landlord shall reasonably approve location of tenant signs which shall be in keeping with the architectural design of the building.

3. PAD TENANT - MULTI-TENANT

Quantity: Each multi-user pad Tenant shall be permitted one (1) internally illuminated channel letter sign for their front elevation. If a Tenant's leasehold has a wall facing on the street and/or parking lot, an additional sign shall be allowed or as approved by Landlord. If the Tenant is located in an end space of the building, Tenant may install a third channel letter sign, one (1) on each frontage.

Size/Area: Maximum height of signs is two feet (2'-0") for a single line sign and two feet six inches (2'-6") for a double line sign. Tenant shall not exceed 70% of the leasehold width for each elevation. If a tenant has a nationally recognized logo or layout that cannot be modified and cannot meet the height restriction, the sign can exceed the height restrictions up to a maximum overall height of four feet (4'-0") but must be approved by the Landlord and the City of Fontana. Height and size must be in scale with the architecture of the building and all signage must be reviewed and approved by the Landlord and City of Fontana.

Location: Landlord shall reasonably approve location of tenant sign which shall be in keeping with the architectural design of the building.

then Landlord shall have the option to correct said sign at Tenant's expense.

SIGNAGE RESTRICTIONS
