Dear Mayor Warren and members of the Fontana City Council,

My name is Anthony Morales, and I am a Fontana resident. After reviewing the current draft maps listed and scheduled to be discussed at today's Redistricting - Public Hearing #3 (A) Redistricting Draft Maps, I support Public Map 401. This map keeps communities of interest together, such as the Southern and Northern portions of Fontana. Based on the current impacts residents of Fontana are facing such as the influx of warehousing, diesel truck pollution, healthcare and traffic concerns, it is crucial for these communities to remain whole and not be separated. Public Map 401 splits the city based on the diverse demographics of the city. Map 401 complies with all the Fair Maps Act, Voting Rights Act, Equal Population Distribution.

As a resident of this city, I urge our leaders to listen to the community. Each district deserves fair representation based on the population, Citizen Voting Age Population (CVAP), schools and shopping centers. Therefore, we ask you to please keep our communities intact and vote on Public Map 401.

My name is Erick Roa. What follows is a pre written statement that I whole heartedly believe with every fiber of my being as a resident of Southridge. The prewritten nature of the following statement is not to detract from its meaningfulness, or impact. I strongly admire those who have put together the time and effort in putting together the statement below, properly standing up for residents of Fontana. I am strongly in favor of Public Map 401, and I strongly oppose those maps that intend to split Southridge into two districts

Dear Mayor Warren and members of the Fontana City Council,

My name is Erick Roa and I am a Fontana resident. I live in Southridge at 14684 Cinnamon Drive. After reviewing the current draft maps listed and scheduled to be discussed at today's Redistricting - Public Hearing #3 (A) Redistricting Draft Maps, I support Public Map 401. This map keeps communities of interest together, such as the Southern and Northern portions of Fontana. Based on the current impacts residents of Fontana are facing such as the influx of warehousing, diesel truck pollution, healthcare and traffic concerns, it is crucial for these communities to remain whole and not be separated. Public Map 401 splits the city based on the diverse demographics of the city. Map 401 complies with all the Fair Maps Act, Voting Rights Act, Equal Population Distribution.

As a resident of this city, I urge our leaders to listen to the community. Each district deserves fair representation based on the population, Citizen Voting Age Population (CVAP), schools and shopping centers. Therefore, we ask you to please keep our communities intact and vote on Public Map 401.

Respectfully,

Erick Roa

Dear Mayor Warren and members of the Fontana City Council,

My name is Evelyn Chacon, and I am a Fontana resident. After reviewing the current draft maps listed and scheduled to be discussed at today's Redistricting - Public Hearing #3 (A) Redistricting Draft Maps, I support Public Map 401. This map keeps communities of interest together, such as the Southern and Northern portions of Fontana. Based on the current impacts residents of Fontana are facing such as the influx of warehousing, diesel truck pollution, healthcare and traffic concerns, it is crucial for these communities to remain whole and not be separated. Public Map 401 splits the city based on the diverse demographics of the city. Map 401 complies with all the Fair Maps Act, Voting Rights Act, Equal Population Distribution.

As a resident of this city, I urge our leaders to listen to the community. Each district deserves fair representation based on the population, Citizen Voting Age Population (CVAP), schools and shopping centers. Therefore, we ask you to please keep our communities intact and vote on Public Map 401.

Respectfully,
Evelyn Chacon

Dear Mayor Warren and members of the Fontana City Council,

My name is Joel Esparza, and I am a citizen of the city of Fontana. After reviewing the current draft maps listed and scheduled to be discussed at today's Redistricting - Public Hearing #3 (A) Redistricting Draft Maps, I support Public Map 401. This map keeps communities of interest together, such as the Southern and Northern portions of Fontana. Based on the current impacts residents of Fontana are facing such as the influx of warehousing, diesel truck pollution, healthcare and traffic concerns, it is crucial for these communities to remain whole and not be separated. I have lived in Fontana since birth, giving the city a large connotation of nostalgia for myself and many others. People's livelihoods are being torn through by the plateaus being created for the warehouses in South Fontana. The beauty of the Jurupa mountains are being obstructed by the conglomerate of gray buildings, a direct opposition to the conservation efforts done by folk like in the Mary Vagle nature center and the Mercado's Nursery Corp. Public Map 401 splits the city based on the diverse demographics of the city. Map 401 complies with all the Fair Maps Act, Voting Rights Act, Equal Population Distribution.

As a resident of this city, I urge our leaders to listen to the community. Each district deserves fair representation based on the population, Citizen Voting Age Population (CVAP), schools and shopping centers. Therefore, we ask you to please keep our communities intact and vote on Public Map 401.

Respectfully,
Joel Esparza
A Concerned High School Student

Fontana City Council

Re: Redistricting - Public Hearing #3 A

Dear Mayor, Mayor Pro Tem, City Council and Staff:

On behalf of the Brown and Black Redistricting Alliance, a coalition of many CBO's, community groups and community members, we stand in solidarity and in full support with the map proposal Fontana residents have submitted to the City of Fontana for consideration which is labeled as Public Map 401. Additionally, Public Map 401, is compliant and meets all criteria required by law. This community map has three strong majority minority districts with over 60% of Latino CVAP.

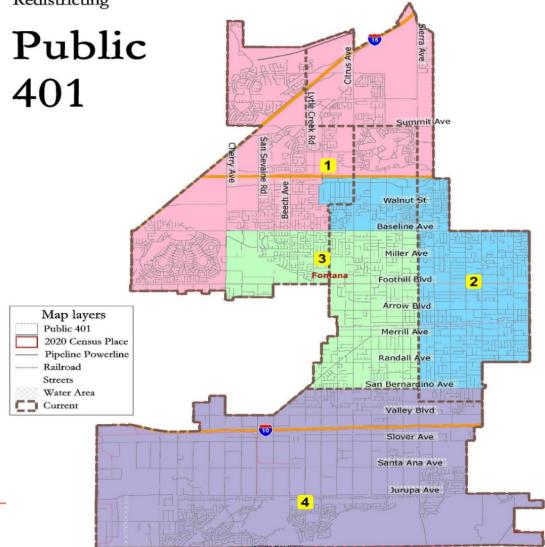

The Fair and Inclusive Redistricting for Municipalities and Political Subdivisions Act (FAIR MAPS Act), requires the city to comply with the federal Voting Rights Act of 1965 (VRA), and, to the extent practicable, keep communities of interest together. Map 401 keeps communities of interest together, based on shopping centers, commuting routes, schools, and demographics. District 1, keeps North Fontana together including the North-West which shares the same schools and shopping centers on Summit and by the 210 freeway. District 2 keeps the East side of the Fontana together, which includes Walnut Village and other communities that attend the same churches, schools and shopping centers. District 3 encompasses the West of Fontana which is close to the unincorporated area of Fontana and includes some rural areas, again sharing the same schools and shopping centers including the downtown area. District 4 includes all of the South of Fontana, including communities who have been impacted by the influx of warehousing, railyards, and other industries which result in numerous indirect sources of pollution such as diesel trucks which is affecting the health of the community and those nearby. District 4 shares the same schools, commuting routes such as the 10fwy.

For the many reasons mentioned above, the residents of Fontana, social justice groups, and community advocates, urges this city council to adopt this community map to comply with the law, based on population, Voting Rights Act, contiguity, and Community of Interest testimony.

Dear Mayor Warren and members of the Fontana City Council,

My name is Austin Wells, and I am a Fontana resident from the Southridge community.

I am writing to state that after reviewing the current draft maps listed and scheduled to be discussed at today's Redistricting - Public Hearing #3 (A) Redistricting Draft Maps, I support Public Map 401.

This map keeps communities of interest together, such as the Southern and Northern portions of Fontana. Based on the current impacts residents of Fontana are facing such as the influx of warehousing, diesel truck pollution, healthcare and traffic concerns, it is crucial for these communities to remain whole and not be separated. Public Map 401 splits the city based on the diverse demographics of the city. Map 401 complies with the Fair Maps Act, Voting Rights Act, as well as the Equal Population Distribution.

As someone who grew up in this city, I urge our leaders to listen to the community. Each district deserves fair representation based on the population, Citizen Voting Age Population (CVAP), schools and shopping centers. Therefore, we ask you to please keep our communities intact and vote on Public Map 401.

Respectfully,

Austin Wells

Dear Mayor Warren and members of the Fontana City Council,

My name is Gabriela Lúa, and I am a resident of the Inland Empire with close connections living in Fontana. After reviewing the current draft maps listed and scheduled to be discussed at today's Redistricting - Public Hearing #3 (A) Redistricting Draft Maps, I support Public Map 401. This map keeps communities of interest together, such as the Southern and Northern portions of Fontana. Based on the current impacts residents of Fontana are facing such as the influx of warehousing, diesel truck pollution, healthcare and traffic concerns, it is crucial for these communities to remain whole and not be separated. Public Map 401 splits the city based on the diverse demographics of the city. Map 401 complies with all the Fair Maps Act, Voting Rights Act, Equal Population Distribution.

As a concerned individual of the Inland Empire, I strongly urge our leaders to listen to the community. I was born and raised in Fontana and believe that the city council should take into account the concerns of our community. Each district deserves fair representation based on the population, Citizen Voting Age Population (CVAP), schools and shopping centers. Therefore, we ask you to please keep our communities intact and vote on Public Map 401.

Respectfully,
Gabriela Lúa

Dear Mayor Warren and members of the Fontana City Council,

My name is Vanessa Ceja Estrada and I am a Fontana resident. After reviewing the current draft maps listed and scheduled to be discussed at today's Redistricting - Public Hearing #3 (A) Redistricting Draft Maps, I support Public Map 401. This map keeps communities of interest together, such as the Southern and Northern portions of Fontana. Based on the current impacts residents of Fontana are facing such as the influx of warehousing, diesel truck pollution, healthcare and traffic concerns, it is crucial for these communities to remain whole and not be separated. Public Map 401 splits the city based on the diverse demographics of the city. Map 401 complies with all the Fair Maps Act, Voting Rights Act, Equal Population Distribution.

As a resident of this city, I urge our leaders to listen to the community. Each district deserves fair representation based on the population, Citizen Voting Age Population (CVAP), schools and shopping centers. Therefore, we ask you to please keep our communities intact and vote on Public Map 401.

Respectfully,
Vanessa Ceja Estrada

Dear Members of the Fontana City Council,

My name is Jasmine Cunningham , and I am a Fontana resident. I purchased by home nearly ten years ago and I'm very disturbed with the potential proposed maps.

After reviewing the current draft maps listed and scheduled to be discussed at today's Redistricting - Public Hearing #3 (A) Redistricting Draft Maps, I support Public Map 401.

Map 401 keeps communities of interest together, such as the Southern and Northern portions of Fontana. I do not want to be represented by the same councilmember representing a snaking area that covers from Rancho to Rialto.

Residents of Some communities in Fontana are facing the influx of warehousing, diesel truck pollution, healthcare and traffic concerns, it is crucial for these communities to remain whole and not be separated. Public Map 401 splits the city based on the diverse demographics of the city. Map 401 complies with all the Fair Maps Act, Voting Rights Act, Equal Population Distribution.

As a resident and business owner of this city , I urge our leaders to listen to the community. Each district deserves fair representation based on the population, Citizen Voting Age Population, schools and shopping centers. Therefore, we ask you to please keep our communities intact and vote on Public Map 401.
