

City of Fontana
Building & Safety Department
Construction & Demolition Recycling Program
Construction Waste Mangement Plan Exemption

All hauling of debris resulting from construction or demolition activities may only be contracted through Burrtec Waste Industries per Fontana Municipal Code Chapter 24-31(b). Please call Burrtec Customer Service at (909) 822-9739.

Project Name: _____

Plan Check Number: _____

Project Address: _____

All receipts, weigh tickets, invoices or other acceptable evidence of recycling construction debris must be provided to the City of Fontana prior to final inspection as proof that at least 65% of the amount of debris generated by this project was recycled. Non-compliance may result in project final delay. This requirement is to show compliance with The California Green Building Code Section 4.408 and Section 5.408
