Introduction

Introduction

The budget is a policy document that sets strategic priorities as developed by the Mayor and City Council through their adopted goals and objectives and serves as a financial plan to provide our residents and business community with the highest standards of service while enhancing the overall quality of life.

The City operates on a two-year fiscal cycle to promote transparency, taxpayer accountability, and greater fiscal stability as well as enabling staff to focus on long-term and strategic aspects of budgeting. On June 13, 2023, City Council adopted the FY 2023/24 and FY 2024/25 Operating Budget. At that time, Council adopted the FY 2023/24 - FY 2029/30 CIP Budget Plan. The Supplemental Budget reflects the impact of ongoing changes approved by Council throughout FY 2023/24.

The following is a summary of the FY2024/25 Citywide Supplemental Budget:

	FY 2023-24		FY 2024-25 Adopted	Change from FY 2023-24 Current	FY 2024-25 Revised	Change from FY 2024-25	
	Adopted	Current*					
Total Revenues							
General Fund	\$ 145,872,000	\$ 148,882,557	\$ 149,082,850	\$ 200,293	\$ 156,235,240	\$ 7,152,390	The overall adopted revenue budget for FY 2024/25 is \$383.5 million, an increase of \$9.2 million (2.5%) over the current year adopted budget, a decrease of \$37.1 million (8.8%) from the current year adjusted budget. The revised revenue budget for FY 2024/25 is \$411.8 million, an increase of \$28.3 million (7.4%) over the adopted FY 2024/25 budget.
Other General Fund	14,314,010	14,957,287	14,458,350	(498,937)	15,829,090	1,370,740

*Excludes operating transfers in and carryover project revenue of \$48.2 million and operating transfers out and carryover project expenditures of \$220.2 million

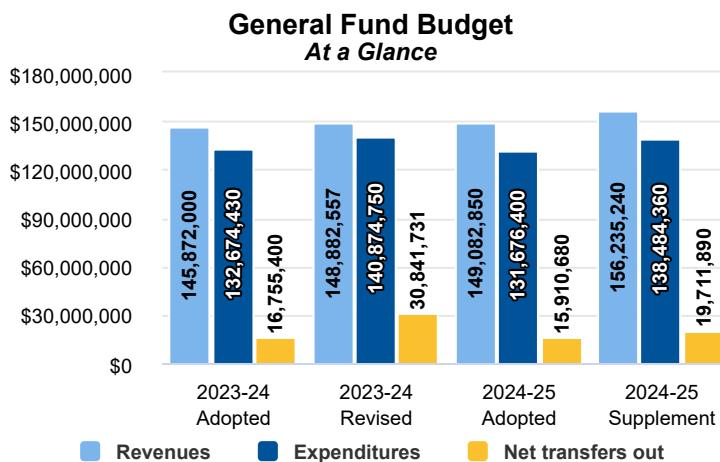

Introduction - continued

General Fund

The proposed budget of the City's General Fund is balanced for the FY 2024/25 Supplemental Budget. There are sufficient recurring revenues to cover recurring expenditures.

General Fund Supplemental revenues for FY 2024/25 are projected at \$156.2 million, an increase of \$7.2 million or 4.8% from the adopted FY 2024/25 budget. Major changes in revenues include the following:

- > sales tax revenue decrease of \$0.7 million due to slowdown in the economy and normalizing retail sales after COVID
- > property tax revenue increase of \$2.3 million reflecting a growth of 2% projected increase in citywide assessed valuations
- > development related revenue increase of \$1.6 million reflecting an increase in new construction activity
- > franchise fees revenue increase of \$1.5 million primarily due to inflationary activity
- > from other agencies revenue increase of \$0.9 million related to dispatch services contribution
- > Business related revenue increase of \$0.8 million as a result of business license compliance program

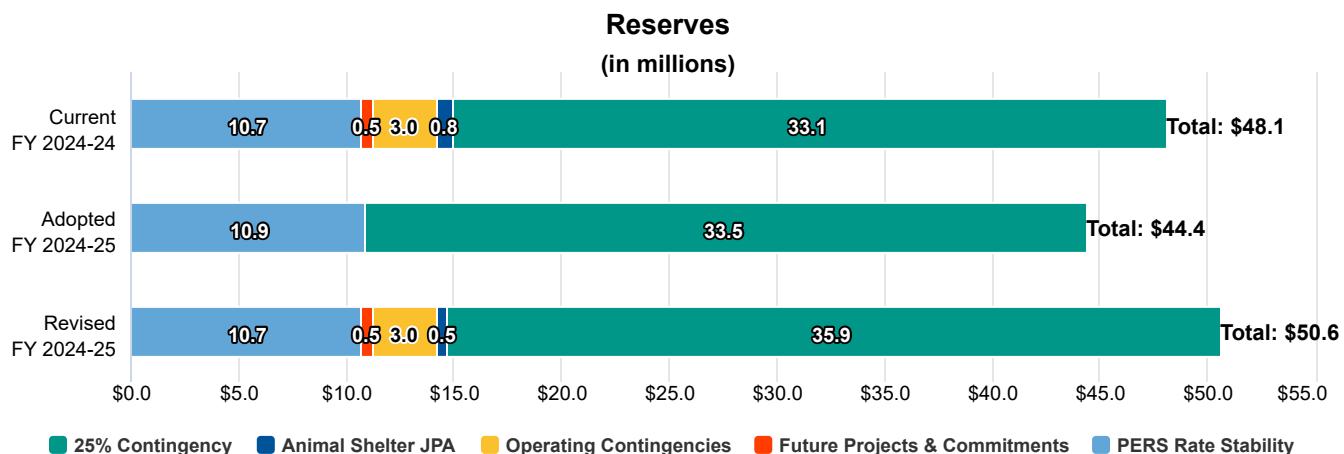

General Fund Supplemental expenditures for FY 2024/25 of \$138.5 million reflect an increase of \$6.8 million or 5.2% more than the adopted FY 2024/25 budget.

Increases are primarily attributable to contractual obligations related to full-time City staff in the amount of \$1.3M, increases in utilities of \$0.4M, increases in legal fees of \$1.2M, increases in Risk of \$0.8M and Fleet increases of \$0.5M.

General Fund net transfers for the FY 2024/25 Supplemental Budget of \$19.7 million reflect an increase of approximately \$3.8 million or 23.9% from the FY 2024/25 adopted budget and a decrease of approximately \$11.1 million or 36.1% from the current year revised budget. Major Changes in net transfers include the following:

- > an increase in transfers in for cost allocation of \$0.3 million
- > an increase in transfers out for technology services of \$0.9 million
- > an increase in transfers out for facility maintenance of \$1.9 million
- > an increase in transfers out for operating expenses at Village of Heritage of \$0.7 million
- > an increase in transfers out for UAL funding of \$0.8 million

Reserves. The City continues to maintain strong General Fund reserves.

Introduction - continued

The City restated its reserves and increased its overall Contingency Reserve to 25% of annual on-going appropriations at budget adoption and is intended to be used for specific and defined emergency events such as earthquakes to address immediate needs without impacting City services.

Total reserves, including Future Projects & Commitments, 25% Contingency, PERS Rate Stability, Animal Shelter JPA, and Operating Contingencies total \$50.6 million for FY 2024/25.

The City's Issuer Credit Rating as provided by Standard and Poor's Ratings Services is AA- with a stable outlook. The City's overall creditworthiness, including its capacity and willingness to meet its financial commitments as they come due, was cited as the primary reason. Standard and Poor's indicated that the stable outlook reflects their view of the City's ability to adjust its budget to sustain very strong reserve levels during the past five fiscal years.

Organizational Changes

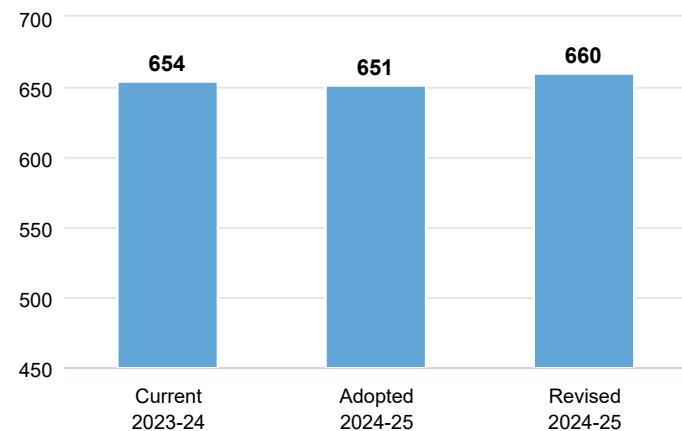

Six new positions are being added for FY 2024/25:

- > One Management Analyst I in the Development Services Department - General Fund
- > One Senior Code Enforcement Inspector in the Building & Safety Department - General Fund (position funded from Cannabis revenue)
- > One Building Inspector II in the Building & Safety Department - General Fund
- > One Traffic Signal Maintenance Technician II in the Public Works & Engineering Department - General Fund (50%)/ Measure I 2010-2040 Local (50%)
- > Two Police Dispatchers II in the Police Department - General Fund

One position is being recommended for reclassification:

- > Senior Accountant in the Public Works & Engineering Department (PC# 37140) is being reclassified to Senior Administrative Analyst - General Fund (90%)/Gas Tax - State (10%)

Budgeted Full-Time Positions at Budget Adoption

Other Funds

Other General Funds include City Technology, Facilities Maintenance, Office of Emergency Services, KFON, Self-Insurance and Retiree Medical Benefits, Supplemental Retirement, GF Operating Projects, Lease-Fire, Storm Water Compliance and are funded primarily through operating transfers from the General Fund. They are maintained separately for accounting purposes only and are reported as part of the General Fund in the Annual Comprehensive Financial Report (ACFR). When compared to the FY 2024/25 Adopted Budget, Supplemental revenues for FY 2024/25 have increased by approximately \$1.4 million and proposed expenditures have increased by \$4.4 million primarily due to utilities, general liability, workers compensation, property insurance program, risk liability, and software subscription increases.

Special Revenue Funds account for specific revenues legally restricted to expenditures for particular purposes such as Gas Tax, Measure I, Asset Seizure funds, Grants, Landscape and Lighting Maintenance Districts and Maintenance Community Facilities Districts. Supplemental proposed revenues have increased by \$13.4 million and proposed expenditures have increased by \$28.9 million primarily due to one time projects and increased utilities, risk liability, and tree trimming/maintenance costs.

Introduction - continued

Debt Service Funds are used to accumulate resources for the payment of principal and interest on the 2021 Lease Revenue Bonds (Fire Station No. 81 and Fire Station 80 Training Center) and the 2014 Lease Revenue Refunding Bonds (Ventana Land Purchase). This represents all debt obligations of the City with principal outstanding of \$59.4 million at June 30, 2023. Annual debt service payments are approximately \$0.0 million. Supplemental revenues for FY 2024/25 have decreased by approximately \$0.3 million and proposed expenditures have decreased by \$0.02 million primarily due to the State and County Coronavirus Relief Funds included in the current year budget.

Capital Project Funds are used to account for the acquisition and construction of major capital facilities and are funded by various sources including development impact fees and community facilities district special assessment bond proceeds. The Capital Reinvestment Fund is funded by transfers from the General Fund. Activity in these funds varies significantly from year to year as resources are accumulated and then used to fund large capital projects.

Supplemental revenues for FY 2024/25 have decreased by approximately \$0.03 million and proposed expenditures have decreased by \$0.07 million primarily due to the State and County Coronavirus Relief Funds included in the current year budget. Any amounts unspent at year end will be carried forward into the next year at the First Quarter Budget Review.

Enterprise Funds account for the City's business-type activities, operating and capital funds for sewer and water. In recent years, the Water Fund has been used to account for expenses related to the water rate case study. The sewer funds account for the billing and collection of sewer charges, and for the operations, maintenance, and construction of the City's sewer system. Supplemental revenues for FY 2024/25 have no increase and proposed expenditures have increased by \$0.1 million primarily due to new sewer accounts being added and a sewer rate increase by Inland Empire Utilities Agency (IEUA).

The City's only **Internal Service Fund** is used to accumulate costs related to fleet services which are allocated to the benefiting funds and departments through an internal service charge. The fund balance reflects amounts available for future fleet replacements. Supplemental revenues for FY 2024/25 have increased by approximately \$0.3 million and proposed expenditures have increased by \$4.2 million primarily due to fleet replacement under the new fleet policy.

The **Fontana Fire Protection District** was created effective July 1, 2008, to provide fire suppression, emergency medical, fire prevention and education services within the City limits and unincorporated area within the City's sphere of influence. Revenues to the District include property taxes, fees and special assessments from a Community Facilities District and have been increased from the current year adjusted amount to reflect some recovery in assessed valuations city-wide as well as distributions of excess tax increment resulting from the dissolution of redevelopment.

District expenditures reflect a contractual agreement with the San Bernardino County Fire Protection District (SBCFPD), City overhead costs, Code Compliance, and Fire station land lease payments.

Supplemental FY 2024/25 revenues are expected to have increased by \$7.7 million. The FY 2024/25 Supplemental expenditures are expected to decreased by \$3.0 million primarily due to the updated San Bernardino Fire Contract and offset by contribution to the city for dispatch services.

Introduction - continued

The **Housing Authority** utilizes funding from the Federal Department of Housing and Urban Development (HUD) grants to improve and develop quality neighborhoods and housing opportunities throughout the City. With the elimination of redevelopment agencies, the Housing Authority became the Successor Agency to the former Low/Moderate Income Housing Fund (LMIFH). FY 2024/25 Supplemental revenues are expected to decrease by \$1.4 million and expenditures are expected to decrease by \$1.1 million due to project closures.

The **Fontana Community Foundation** was established for the purpose of aiding and assisting in the implementation, improvement and maintenance of public services that preserve and promote the health, welfare and education of local citizens. Current activity in this fund reflects grant application efforts. There are no revenues or expenditure changes budgeted in the Supplemental report.

Capital Improvement Program

The seven-year Capital Improvements Program (CIP) is a planning tool that identifies the capital improvement needs to assure the most responsible and efficient use of resources. The adopted capital budget for FY 2023/24 through 2029/30 is \$996.0 million and contains 178 projects. The FY 2024/25 supplemental budget includes \$36.0 million of new funding for ongoing projects.

- > **Cypress Ave./Summit Ave. Traffic Signal** – funds \$1.1 million from the Measure I 2010-2040 Local Fund for the installation of a new traffic signal, intersection lighting and minor road improvements at Cypress Avenue and Summit Avenue. The new traffic signal will enhance circulation through the intersection.
- > **Citywide Rapid Rectangular Flashing Beacons** – funds \$130,000 from the Measure I 2010-2040 Local Fund to install Pedestrian-Actuated Rectangular Rapid Flashing Beacons at seven locations within the City. This project will enhance pedestrian conspicuity and increase driver awareness at uncontrolled and marked crosswalks.
- > **Southridge Grid 52 Slurry Seal** – defunds \$500,000 from the Capital Reinvestment Fund approved with the adoption of the FY 2024/25 Budget. Funds will be reallocated to the Grid 47 Residential Pavement Rehab Project.
- > **Grid 47 Residential Pavement Rehab** – funds \$500,000 from the Capital reinvestment Fund to do a 2" grind and overlay of the existing pavement roadway. The project will extend the life of the pavement.
- > **Foothill: Hemlock-Almeria Arterial** – funds \$19.8 million from the Grants Fund to widen Foothill Boulevard from Hemlock Avenue to Almeria Avenue from 4 to 6 lanes, with bike lanes, sidewalks, a raised landscape median, new traffic signal at Foothill Blvd. and Beech Avenue, and removal and replacement of the historic Malaga Bridge. It will reduce traffic congestion and improve operations and circulation along one of the City's most widely used major corridors, Route 66.
- > **Westgate at Cherry and Victory Ave. Arterial** – funds \$15.0 million from the Grant Fund to realign Victoria Avenue, east of I-15 Freeway to Cherry Avenue. Cherry Avenue will be widened to 3 lanes in each direction between SR-210 Freeway to Baseline Avenue. Improvements will also include storm drain installation, sewer, street lights, sidewalks, center medians and bike lanes.

Significant Events of FY 2023-24

- > **Hotel Development:** Construction of the Towne Place Suites by Marriott at the corner of Sierra and Slover Avenues is underway. This four-story hotel will include 115 guest rooms. The hotel is scheduled to be completed by June of 2024.
- > **Northwest corner of So. Highland Avenue and Citrus Avenue:** The developer application for the redevelopment of the property to include two four-story business class hotels, a restaurant and a banquet hall has been approved by the Planning Commission. Construction is anticipated to begin in June of 2024 with an anticipated completion date by the Summer of 2026.
- > **Fire Station #81:** As part of the Fire Master Plan and in an effort to meet a less than five-minute response time within the District 90% of the time, Fire Station #81 will be completed at the northern end of the City limits. Construction began in March 2022 and is scheduled to be completed in June 2024. The ribbon cutting ceremony is scheduled on June 18, 2024.
- > **Fire Station #80 (Phase 1):** The training center (Phase 1) will be approximately 3,300 square feet with a training tower that will be incorporated into a future Fire Station #80 (Phase 2) planned for the same site (Cherry and So. Highland Avenues). Design and environmental phases began in March 2021. Final design and utility coordination are currently in progress. The construction commencement is anticipated in late 2024.

Introduction - continued

- > **Sierra Avenue Improvements between Foothill Blvd. and Baseline Avenue:** The growth occurring in the northern and central areas of the City with corresponding increase in traffic flows require the widening of Sierra Avenue. This project is currently in construction. The street improvement portion of the project was completed in May 2024. Median landscape portion is scheduled to begin in June 2024.
- > **Pavement Rehabilitation Program:** Based on the new Citywide 7-Year Pavement Management Plan, The following projects were completed in FY 2023/24: Foothill Blvd. Pavement Rehab between East Ave. and Hemlock Ave; Augusta Dr. and Club House Dr. in the Sierra Lakes Community; Slurry Seal at Southridge Community; Slurry Seal at Village of Heritage Community; Slurry Seal at residential streets in the Sierra Lakes Community. Various funding sources were used for the completion of these projects, including Road Maintenance and Rehabilitation Act (RMRA) funding.
- > **Downtown Parking Structure Project:** The City will construct a parking structure within the existing parking lot of the City's Human Resources Department Building located at 8491 Sierra Avenue, Fontana, CA 92335 which shall consist of a 4-tier parking structure allowing for approximately 320 parking spaces and two elevators. The project will also include various onsite and offsite improvements to include driveway approaches, RV parking and pull through area, landscaping, and other improvements. The intent of the structure is to serve as both public and employee parking for the civic campus as well as the planned downtown area which is to be revitalized. The estimated completion date is January 2025.
- > **City Hall Renovation Project - Phase I (Fire Annex):** The City will demolish the existing Fire administration Building located at 17001 Upland Avenue, Fontana, CA 92335 and shall construct a two-story municipal building with first tier parking structure and second tier office spaces. Each tier will have a footprint of approximately 30,000 square feet with one vehicle entrance and exit located on Upland Ave. just west of Wheeler Ave. The City anticipates 65 parking spaces to be within the parking structure portion of the building. The intent of the building is to serve as office space for city staff as well as both public and employee parking for the civic campus. The estimated completion date is August 2025.

Conclusion

The FY 2024/25 Supplemental Budget as proposed is fiscally balanced and continues to support the City's core services, maintenance, facilities and infrastructure in line with the priorities of the City Council.

CIP Overview

- New Budget Year Activity

New Budget Year Activity

As presented in the Operating Budget for Fiscal Year 2024/25 Supplemental Budget, the new capital improvement project funding totals \$36.0 million for all categories of capital improvement projects reported by various City departments, respectively. This amount represents funding for ongoing projects from a variety of funding sources.

Many projects are related to maintenance for and replacement of existing City facilities and infrastructure such as street and utility improvements or facility repairs and enhancements. Many of the smaller budgeted projects are components and cyclical replacement programs. These types of projects do not create significant budgetary impacts.

The potential budgetary impact of any proposed capital project is carefully considered as part of the capital improvement program review process. The recurring budgetary impact of a capital project is the anticipated project-related increase to the City's budget in the first fiscal year following completion of the project. These expenditures include additional personnel, operations and maintenance expenditures, recurring capital outlays and capital debt service. For example, a new community center will likely require additional staff as well as funding for utilities, maintenance and other similar costs.

The major sources of funds available for capital projects are dedicated funds. The use of dedicated funds is restricted by the limitations imposed by local, state, or federal laws associated with the funding source. For the most part, these funds are accounted for in the City's special revenue, such as Air Quality Management District (AQMD), Gas Tax, Grant Funds, Measure I Funds, and Capital Reinvestment Funds.

Constitutional Spending Limit

The voters of California, during a special election in 1979, approved Article XIII(B) of the California State Constitution which provides that the Fire District's annual appropriations be subject to certain state limitations. This appropriations limit is often referred to as the GANN Limit.

In 1980 the State Legislature added Section 9710 to the Government Code providing that the governing body of each local jurisdiction must establish, by resolution, an appropriations limit for the following year. The appropriations limit for any fiscal year is equal to the previous year's limit adjusted for population changes and the changes in the US Consumer Price Index (or California per capita personal income, if smaller). The necessary statistical information is provided each year by the California Department of Finance.

The Fire District's limitation is calculated each year and established by a resolution of the City Council as part of the annual Operating Budget process.

Using the population and per capita personal income data provided by the California Department of Finance, the Fire District's appropriation limit for Fiscal Year 2024/25 is \$191,938,135. Appropriations subject to the limitation in the 2024/25 Operating Budget total \$62,706,640, which is \$129,231,495 or 67% less than the computed allowable limit.

The Article XIII(B) limitation is not a restricting factor for the Fire Protection District but will be monitored annually and budget adjustments recommended if they are required in future years.

Constitutional Spending Limit

The voters of California, during a special election in 1979, approved Article XIII(B) of the California State Constitution which provides that the City's annual appropriations be subject to certain state limitations. This appropriations limit is often referred to as the GANN Limit.

In 1980 the State Legislature added Section 9710 to the Government Code providing that the governing body of each local jurisdiction must establish, by resolution, an appropriations limit for the following year. The appropriations limit for any fiscal year is equal to the previous year's limit adjusted for population changes and the changes in the US Consumer Price Index (or California per capita personal income, if smaller). The necessary statistical information is provided each year by the California Department of Finance.

The City's limitation is calculated each year and established by a resolution of the City Council as part of the annual Operating Budget process.

Using the population and per capita personal income data provided by the California Department of Finance, the City's appropriation limit for Fiscal Year 2024/25 is \$370,164,949. Appropriations subject to the limitation in the 2024/25 Operating Budget total \$136,143,560, which is \$234,021,389 or 63% less than the computed allowable limit.

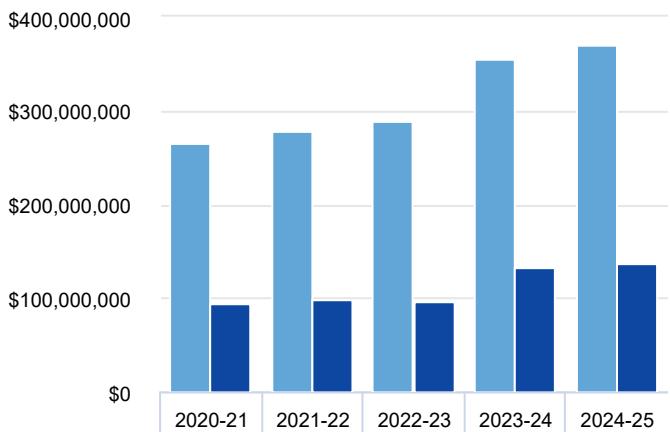

The Article XIII(B) limitation is not a restricting factor for the City of Fontana, but will be monitored annually and budget adjustments recommended if they are required in future years.

RESOLUTION NO. 2023 – 044

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF FONTANA ESTABLISHING AN APPROPRIATIONS LIMIT OF \$354,836,032 PURSUANT TO ARTICLE XIII (B) OF THE CALIFORNIA CONSTITUTION FOR FISCAL YEAR 2023/24

WHEREAS, Article XIII (B) of the California Constitution provides that the total annual appropriations subject to limitation of the State and of each local government entity for the prior year is to be adjusted for changes in either the growth in the California Per Capita Income or the growth in the non-resident assessed valuation due to new construction and the changes in population within either its own jurisdiction or county in which the public entity is located, and

WHEREAS, pursuant to said Article XIII (B) of the California Constitution, the City Council of the City deems it to be in the best interest of the City of Fontana to establish an appropriations limit for Fiscal Year 2023/24, and

WHEREAS, the City of Fontana has determined that said appropriations limit for Fiscal Years 2023/24 be established in the amount of \$354,836,032, calculated using the growth factor in the California Per Capita Income and change in population within the City of Fontana.

NOW, THEREFORE, be it resolved, determined, and ordered by the City Council of the City of Fontana that said appropriations limit herein established may be changed as deemed necessary by resolution of the City Council.

APPROVED AND ADOPTED this 13th day of June, 2023.

RESOLUTION NO. 2023 – 042

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF FONTANA, CALIFORNIA ADOPTING THE FISCAL YEARS 2023/24 - 2029/2030 CAPITAL IMPROVEMENT PROGRAM

WHEREAS, the Planning Commission has conducted a public hearing on the FY 2023/24 through 2029/2030 Capital Improvement Program (CIP) and determined the CIP to be in conformance with the City's General Plan; and

WHEREAS, the City Council has conducted a public hearing on the CIP and Future CIP projects, received input from City boards and commissions, and the general public and others; and

WHEREAS, the FY 2023/24 and 2024/25 Fiscal Year Budget includes funding of FY 2023/24 and 2024/25 CIP projects.

NOW, THEREFORE, be it resolved, determined, and ordered by the City Council of the City of Fontana that the FY 2023/24 and 2024/25 CIP projects as outlined in the CIP Proposed Budget are hereby approved and the City Manager is authorized to proceed with the implementation of these CIP projects as planned.

NOW, THEREFORE, BE IT FURTHER RESOLVED, that any additions or deletions by project title for the Adopted FY 2023/24 through 2029/2030 Capital Improvement Program must be authorized only upon recommendation of the City Manager and approval by the City Council; and, that any changes to CIP amounts exceeding ten percent of the original cost estimate will require approval of the City Council as recommended by the City Manager.

APPROVED AND ADOPTED this 13th day of June, 2023.
