The City Council has certified the EIR and, based on the CEQA Sections 15162 through 15164, staff has determined that none of the criteria requiring a subsequent environmental document have been met and that further environmental analysis is not required. A Notice of Determination has been prepared.

Section 3. Findings. The City Council hereby makes the following findings for Specific Plan Amendment No. 22-003 in accordance with Section 30-67 "Purpose" of the Fontana Zoning and Development Code:

Finding No. 1: **A Specific Plan may be amended by changing the development standards or zoning designation of any zone whenever such an amendment is deemed necessary to protect or promote the public's health, safety or general welfare or when modification is viewed as appropriate in the context of generally accepted planning principles, surrounding land uses, and the General Plan.**

Findings of Fact: The specific plan amendment is to the remove an 18.8-acre site from the Residential Trucking District (RTD) and to include it in the Slover East Industrial District (SED) within the Southwest Industrial Park Specific Plan (SWIP) for the development of an industrial commerce building totaling 490,565 square feet. This development will provide an attractive development with quality modern architecture and vast landscaping. This type of development will enhance the area with an attractive street scene and high-quality industrial development. This type of development will be consistent with the industrial area.

Section 4. Approval. Based on the findings in Section 3, Specific Plan Amendment No. 22-003 is hereby approved, and the Southwest Industrial Park Specific Plan is amended to establish the project within the Slover East Industrial District as shown on **Exhibit "A"**, attached hereto and by this reference incorporated herein.
