1.	The project [<input type="checkbox"/> will <input checked="" type="checkbox"/> will not] have a significant effect on the environment.	
2.	<input checked="" type="checkbox"/>	An Environmental Impact Report was prepared and certified for this project pursuant to the provisions of CEQA and reflects the independent judgment of the Lead Agency. Pursuant to Sections 15162 and 15164 of the California Environmental Quality Act (CEQA) Guidelines and Section 8.06 of the City of Fontana's 2019 Local CEQA Guidelines an Addendum to the General Plan Final Environmental Impact Report (FEIR) (State Clearinghouse [SCH] No. 2016021099) has been prepared for this proposed project. The aforementioned EIR was adopted by the City Council on November 13, 2018, and this project does not propose any major revisions to the General Plan FEIR and none of the conditions described in State CEQA Guidelines Section 15162 calling for the preparation of additional CEQA documentation has occurred. The Ordinance change is not a project within the meaning of Section 15378 of the CEQA Guidelines, Section No. 3.22 and 3.07 of the 2019 Local Guidelines for Implementing CEQA, because it does not have potential for resulting in physical change in the environment, directly or indirectly. Where it can be with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA. This Addendum determined that there are no new additional impacts beyond what was anticipated in the EIR mentioned above.

	<input type="checkbox"/>	A Mitigated Negative Declaration was prepared for this project pursuant to the provisions of CEQA and reflects the independent judgment of the Lead Agency.
