Police Explorers:

Program gives young adults (Ages 14 to 20) the opportunity to learn about law enforcement as a career through firsthand experience as well as all aspects and functions of the Police Department. Program offers experience in all units within the department and a patrol officer's function through the ride-along program.

For More Information contact [Crime Prevention \(909\) 350-7759](#) or [\(909\) 356-7157](#)

Mayor's Youth Advisory Council:

Program gives members an opportunity to advocate for their family and peers while learning hands on strategies and techniques on how to work in municipal government. Members participate in monthly special events and work one-on-one with City staff to create programming.

To join contact their advisors at [\(909\) 349-6948](#)

Mary Vagle Nature Center Youth Leadership Program:

Program supports high school and college students who want to gain experience as mentors and leaders in community or school programs. In addition to special programmed events, youth leaders are able to assist with many of the ongoing programs at the Nature Center including working with the animal care technicians in the animal exhibits, assisting with the Urban Ecology Program and assisting with wildlife inventories and monitoring.
